Location: McDavid Studio

Our intimate Texas Crossroads concert series at McDavid Studio continues Sept. 19 with a powerhouse match-up featuring **Luke Wade** and **Joey Green**.

Once called the “Coldplay of soul,” **Luke Wade** is from Dublin, Texas, but now calls Fort Worth home. He helped put his city on the music map by being a contestant on NBC’s hit reality show, *The Voice*.

With six albums under his belt, lifelong Texan **Joey Green** has become a household name in North Texas music circles. His rollercoaster style of music – a hodgepodge of country, soul and rock n’ roll – has earned him a reputation for being one of the area’s most exciting live acts.

Austin newcomer **Lukas Jakobsson** will open the show. The 24-year-old singer-songwriter recently released his debut EP, *The Two of Us*.
