### **About Performing Arts Fort Worth**

For over 25 years, the Nancy Lee and Perry R. Bass Performance Hall has been a Fort Worth icon and nationally distinguished performing arts venue. Built entirely with private funds, the Hall's mission is to serve as a permanent home to the major performing arts organizations of Fort Worth and as a premier venue for other attractions to enhance the range, quality and accessibility of cultural fare available to the public; to promulgate arts education; and to contribute to the cultural life of Fort Worth, Tarrant County, and the region.

Bass Performance Hall is the permanent home to the Fort Worth Symphony Orchestra, Texas Ballet Theater, Fort Worth Opera, the Van Cliburn International Piano Competition and the Cliburn. Each resident company operates independently from Performing Arts Fort Worth and manages its own programming schedule at Bass Hall.

Performing Arts Fort Worth, the nonprofit organization that owns and operates Bass Hall, also presents national touring Broadway productions under the Broadway at the Bass Series presented by PNC Bank, as well as intimate concerts, holiday specials and family entertainment in the Irwin Steel Popular Entertainment Series.

The 2,042-seat multipurpose Hall is characteristic of the classic European opera house form. An 80-foot diameter Great Dome tops the Founders Concert Theater while two 48-foot-tall angels grace the Grand Facade. Since the Hall opened in May 1998, the angels have become preeminent cultural icons of the Dallas-Fort Worth community.
